PLEDGE OF ALLEGIANCE

PROCLAMATION - VETERANS DAY

CONSENT AGENDA

1. All Consent Items (ACTION ITEM)

A. Approval of Moscow City Council October 18, 2021 Minutes - Laurie M. Hopkins

B. 1912 Center Management Agreement with Heart of the Arts, Inc. - David Schott

Heart of the Arts, Inc. has consistently and satisfactorily operated the 1912 Center in accordance with the terms of the initial agreement for the entirety of the prior fourteen years and desires to enter into a new lease and operations agreement. The City of Moscow desires to continue leasing the 1912 Center to the Heart of the Arts, Inc. along with having Heart of the Arts, Inc. continue to manage the operations of the 1912 Center. The current lease and operations agreement terminated on September 30, 2021. Idaho Code §50-1407 authorizes the Mayor and City Council to lease City-owned property that is not otherwise needed for city purposes, by resolution. The initial term of the proposed agreement for lease, programs and operations management will commence on October 1, 2021 and shall end on September 30, 2031. Heart of the Arts, Inc. may extend the initial term of the agreement for two (2) consecutive, additional periods of ten (10) years beyond the expiration of the initial term. The first renewal would extend the agreement through September 30, 2041, and a second renewal would extend the agreement through September 30, 2051. This was reviewed by the Administrative Committee and recommended for approval.

ACTION: Approve the Agreement for Lease, Programs and Operations Management between the City of Moscow and Heart of the Arts, Inc. as operator of the 1912 Center, and authorizing Resolution.

C. Lease with Moscow School District for Ghormley Park Tennis Courts – Gary J. Riedner

The City owns tennis courts at Ghormley Park. The tennis courts had fallen into disrepair and were unsuitable for playing tennis without extensive and expensive repairs. The City Council originally approved the construction of pickleball courts on the tennis court site. However, a more suitable location was identified at the site of the former Ghormley Park swimming pool because of accessibility and parking, and pickleball courts have been constructed there. As part of the pickleball construction project, the contractor bid an alternate for the demolition of the tennis courts, in the amount of \$53,400. That alternate was not selected, and thereafter it was determined that the resurfacing of the tennis courts with asphalt would make the courts safer, and would provide a hard surface for children's recreation. The cost of resurfacing of the tennis courts was \$25,000, and that project was completed this past summer. Moscow School District (MSD) would like to lease the newly resurfaced area for recreation for the students of West Park Elementary School. MSD has proposed to pay one-half of the cost of the resurfacing (\$12,500) in exchange for a ten-year lease of the site. The area would be open for public recreation outside of school hours. This was reviewed by the Administrative Committee on October 25, 2021 and recommended for approval.

ACTION: Approve the lease of the Ghormley Park Tennis Courts to Moscow School District.

D. Idaho Department of Environmental Quality Electric Vehicle Supply Equipment Program Grant Proposal - Bill Belknap

The Idaho Department of Environmental Quality Electric Vehicle Supply Equipment (EVSE) program provides cost-shared funds for direct current fast charger (DCFC) equipment. The program is funded from the Volkswagen Emissions Settlement and is intended to create a network of electric vehicle charging services for the public along the State's highway network. The program currently has \$2.1 Million of funding remaining and prioritizes the installation of DCFC equipment that is located within one-half mile of Idaho's highway system and which provides 24-hour access, are well-lit, and are located in close proximity to shopping or dining. Staff reviewed several locations and determined that the South Jackson Parking lot next to the downtown restroom would be the preferred location for this facility. The location is in close proximity to both U.S. Highway 95 and State Highway 8, is adjacent to a public restroom facility, and in close proximity to shopping and dining establishments downtown. The grant program funds 100% of the cost of installation and five years of maintenance and operation when located upon publicly owned property. The City would be responsible for maintaining the EVSE station for five years after installation, which would be funded by the grant. It is anticipated that the City would propose to install two DCFC stations and would publish a Request for Proposals (RFP) from companies interested in providing, installing, and operating and maintaining the facility for the required 5-year period. Once a respondent has been selected and project costs are identified, the City would submit the grant application to the State of Idaho to fund the project. Completion of the ESVE station installation would be dependent upon available grant funding. Staff is seeking Council approval of the proposed project and authorization to proceed with the publication of the RFP. This was reviewed by Public Works Finance Committee on October 25, 2021 and recommended for approval.

ACTION: Approve the project and publication of the Request for Proposals.

E. Lot Line Adjustment Between 1421 and 1427 Lanny Lane, 1228 Ponderosa Drive, and 1204 Tamarack Drive - Aimee Hennrich

The applicant, Mark Pica, is requesting a lot line adjustment between four properties located at 1421 and 1427 Lanny Lane, 1228 Ponderosa Drive, and 1204 Tamarack Drive. The proposed lot line adjustment would reduce 1421 Lanny Lane from 12,185 sf to 10,784 sf and expand 1228 Ponderosa Drive from 17,193 sf to 18,594 sf in size. Additionally, the proposed lot line adjustment would reduce the lot at 1427 Lanny Drive from 11,215 sf to 10,816 sf and would expand 1204 Tamarack from 15,958 sf to 16,357 sf in size. The applicant is requesting the lot line adjustment in order to realign the rear lot lines to better fit the existing fences at 1228 Ponderosa Drive and 1204 Tamarack

Drive. The two Lanny Lane lots are currently under construction with new single-family homes and the lots on Ponderosa and Tamarack both contain existing single-family homes. The subject properties are located within the Low Density, Single-Family Residential Zoning District (R-1) which requires a minimum lot area of 9,600 sf and a minimum lot width of 80 feet. Setbacks are required to be 25 feet in the front, 20 in the rear and a combined total of 15 on the sides. The proposed lots will meet all zoning requirements as a result of the proposed lot line adjustment. This was reviewed by Public Works Finance Committee on October 25, 2021 and recommended for approval.

ACTION: Approve the lot line adjustment request with no conditions.

On September 16, 2021, the City received a letter requesting the vacation of portions of the right-of-way (ROW) located within the currently undeveloped portion of the Southgate 3rd Addition to the City. The request was made by JEMCA LLC, who is the owner of the Southgate 3rd Addition. JEMCA LLC is proposing to replat the area which requires the vacation of a portion of Granville Street and all of Kismet Court which are located within the replat area. According to JEMCA LLC, the proposed vacation is to reduce the linear feet of roadway to work with the existing topography in the area by utilizing one shorter city street for the proposed Park Valley subdivision and one private street within the Sierra Vista Planned Unit Development. A vicinity map of the proposed vacation area is shown on the Notice of Public Hearing attached herein. The notice of the hearing was advertised in the newspaper of record and mailed to properties within 300 feet of the subject ROW and all franchise and other utility providers were also provided notice.

PROPOSED ACTIONS: Conduct the public hearing and upon consideration of any testimony received, approve the vacation request by adoption of the Ordinance under suspension of the rules requiring three complete and separate readings and that the ordinance be read by title and published by summary; or consider the Ordinance on first reading; or deny the vacation request; or take such other action deemed appropriate.

D. Memorandum of Understanding with Moscow School District for SRO Program – Gary J. Riedner / James Fry

The City of Moscow, through the Moscow Police Department, has been employing a School Resource Officer (SRO) position for over 18 years to provide a law enforcement presence and additional resources to the Moscow School District to assist in providing and maintaining a safe and healthy student environment. Previously, the MSD and City had agreed to have two SRO positions, with the costs of the two positions to be evenly divided between the MSD and City. However, with the advent of COVID-19, MSD requested that one of the positions be eliminated for budgetary reasons, and that we return to one SRO, with the costs of the position to be evenly divided between the City and the MSD. The Memorandum of Understanding contemplates one SRO position. This was reviewed by the Public Works/Finance Committee on October 11, 2021 and recommended for approval.

ACTION: Approve the MOU with Moscow School District for the School Resource Officer program.

E. Comprehensive Mutual Aid Agreements for Fire Assistance – Brian Nickerson

The City of Moscow benefits significantly from having mutual and automatic aid agreements with our fire and EMS partners in the quad counties. This type of agreement provides the opportunity to give and receive assistance in the event the need should arise from an emergency situation including both fire and EMS. This updated agreement also enhances the opportunity to possibly receive credit for Insurance Service Office (ISO) Rating system for fire classification for the city. This update provides the ability to create a Response Plan / Card system for response on an automatic basis with no need to special request mutual aid from our partners. The Moscow Fire Department would like to enter into this Mutual and Automatic Aid Agreement with the following agencies; Moscow Rural Fire District, City of Lewiston, City of Pullman, City of Clarkston, City of Asotin, Asotin County Fire District, Potlatch Corporation Rural Fire Protection District, City of Troy, Troy Rural Volunteer Fire Department, Deary Rural Fire District, City of Genesee, Genesee Rural Fire District, Genesee Community Firemen Inc., City of Julietta, City of Kendrick, Bovill Fire Protection District, City of Palouse, Whitman County Rural Fire District No. 4, Whitman County Fire District No. 12, Whitman County Fire District 14, The City of Colfax, J-K Ambulance, Bennett Lumber Products, and Clearwater Paper. All partners receive assistance as necessary to help our surrounding agencies. This was reviewed by the Public Works/Finance Committee on October 11, 2021 and recommended for approval.

ACTION: Approve the mutual and automatic aid agreement.

Bettge moved and Taruscio seconded to approve the consent agenda as presented. Roll Call Vote: Ayes: Unanimous. Nays: None. Abstentions: None. Motion carried.

REGULAR AGENDA

2. Staff Recognition Report - Gary J. Riedner

Chief Fry introduced Officer Nunes and Officer Waters. In September, the Pullman Police located two gunshot victims on College Hill. MPD provided assistance with the incident. Waters provided security while Nunes worked on the victim with life threatening injuries. The event was complex and intense and the officers were calm and professional. Once the victim was secure in the ambulance, the officers went back looking for the suspect clearing buildings and cars. Fry recognized both officers with the life-saving award for playing a vital role in the victim being alive today.

David Schott and Greg Morrison honored Damon Burton, P&R commission member for 30 years. He had a passion and knowledge in the parks and recreation world and coached 36 years of youth sports. He helped with the Hamilton Lowe Aquatic Center, Hamilton Indoor Recreation Center, and the MSD playfields all coming to fruition. Mayor Lambert presented a key to the city to Damon Burton. Morrison said when he moved here in 1990 and met Damon who helped build the intramural program. Morrison was hired by the City in 2004 and Damon was always helping him with whatever was needed.

Bettge moved and Laflin seconded approval of the appointments. Roll Call Vote: Ayes: Unanimous. Nays: None. Abstentions: None. Motion carried.

Jenine Eslick is new to Moscow, is in a masters program at U of I, and passionate about cycling and getting involved with the City. She was involved in Americorp at the City and looking forward to being more involved with more pathway projects. Jackson Landis thanked the city for having high school seats on commissions. He has played sports and enjoyed parks and thought it would be good to have someone who uses the parks to be on the commission.

Thomas Carpenter (Moscow), student at New St. Andrews College. NSA is hosting a candidate forum October 22 and wanted to thank the candidates for RSVPing. He invited the Mayor, City Council and staff to attend as well.

5. Final Decision for Appeal of Conditional Use Permit at 1400 E Seventh Street (ACTION ITEM) - Aimee Hennrich

On February 19, 2021, PI Tower Development LLC applied for a Conditional Use Permit (CUP) to construct an 80-foot-tall Wireless Communication Facility (WCF) that would resemble a church tower, located at 1400 E Seventh Street. The Board of Adjustment conducted a public hearing for the proposed CUP on March 29, 2021, and subsequently voted to deny the application. On April 16, 2021, the Community Planning and Design Department received an appeal letter from Wireless Policy Group on behalf of Parallel Infrastructure, stating that they wish to appeal the Board of Adjustment's decision to City Council.

On May 3, 2021, Council heard the appeal and remanded the matter back to the Board of Adjustment with the instruction to develop additional material information. Specifically, to determine whether the horizontal footprint and width of the proposed Wireless Communication Facility can be reduced in order to be less intrusive to the neighborhood and surrounding land uses and ultimately satisfy Criterion #2.

The Board of Adjustment conducted a public hearing to consider the Council's instructions and accept additional information on August 24, 2021, and subsequently voted to deny the application. On September 8, 2021, the Community Planning and Design Department received an appeal letter from Wireless Policy Group on behalf of Parallel Infrastructure, stating that they would like to appeal the Board of Adjustment's August 24, 2021, decision to deny the application to City Council.

On October 4, 2021, Council heard the appeal and reversed the decision by the Zoning Board of Adjustment to deny the application for a Conditional Use Permit for a Wireless Communication Facility and approved the three-legged tower design (Design Alternative 2) with the condition that the applicant remove all religious insignias from the design of the structure. City Council then directed staff to prepare a written decision based on the Council's action.

PROPOSED ACTIONS: Approve the proposed written decision; or approve the proposed written decision with modifications; or provide staff with further direction.

Hennrich introduced the item as written above. Laflin asked for assurance that the structure will hold three carriers and Hennrich confirmed. Bettge moved to approve the proposed written decision. Taruscio seconded. Roll Call Vote: Ayes: Unanimous. Nays: None. Abstentions: None. Motion carried.

6. Public Hearing: Southgate 3rd Addition Proposed Rezone (ACTION ITEM) - Mike Ray

The applicant, Mike Salisbury, is proposing a rezone for a 7.56-acre property within Phase III of Southgate 3rd Addition and located east of the current terminuses of Granville Street and Castleford Street. The zoning of the subject property is currently a combination of Low-Density Single Family Residential (R-1), Moderate Density Residential (R-2), and Medium Density Residential (R-3) and the proposal is to rezone the entire property to the Medium Density Residential (R-3) Zone. Ray introduced the item as written above and also described the neighborhood.

Mayor Lambert opened the public hearing at 7:29 p.m.

Scott Becker (Hodge and Associates) represents the applicants. The goal of this rezone is to make the zone consistent with one zone.

Hearing no more testimony, Mayor Lambert closed the public hearing at 7:30 p.m.

Bettge moved, Kelly seconded, to approve the proposed Zoning Ordinance under suspension of the rules requiring three complete and separate readings and that it be read by title and published by summary and adopt the Planning and Zoning Commission Reasoned Statement of Relevant Criteria. Roll Call Vote: Ayes: Unanimous. Nays: None. Abstentions: None. Motion carried.

Mayor Lambert read Ordinance 2021-19 by title:

AN ORDINANCE OF THE CITY OF MOSCOW, IDAHO, A MUNICIPAL CORPORATION OF THE STATE OF IDAHO; PROVIDING FOR THE ZONING OF A SEVEN POINT FIVE SIX (7.56) ACRE PROPERTY, DESCRIBED IN SECTION 1 OF THIS ORDINANCE, AS MEDIUM DENSITY RESIDENTIAL (R-3); PROVIDING THAT THE PROVISIONS OF THIS ORDINANCE BE DEEMED SEVERABLE; PROVIDING FOR THIS ORDINANCE TO BE IN FULL FORCE AND EFFECT FROM AND AFTER ITS PASSAGE, APPROVAL AND PUBLICATION ACCORDING TO LAW.

7. Public Hearing: Park Valley Addition Preliminary Plat (ACTION ITEM) - Mike Ray

The applicant, Mike Salisbury, is requesting a preliminary plat of a 4.59-acre to create 12 lots ranging from 7,207 to 59,241 square feet in size, referred to as Park Valley Subdivision. The subject property was originally platted as Phase III of the Southgate 3rd Addition and the applicant is requesting a rezone and re-plat of the property. The Planning and Zoning Commission conducted a public hearing on August 11, 2021 and recommended approval of the preliminary plat request.

PROPOSED ACTIONS:

1. After conducting the public hearing and upon consideration of testimony received, approve the preliminary plat with conditions; or approve the preliminary plat without conditions; or reject the preliminary plat; or take other such action deemed appropriate.
2. In accordance with the decision upon the preliminary plat, adopt the Planning and Zoning Commission's Reasoned Statement of Relevant Criteria; or direct Staff to prepare a Reasoned Statement of Relevant Criteria for the Council's consideration at a future meeting.

Ray introduced the item as written above. The large lot at the northeast corner is one of the 12 lots and a temporary cul-de-sac is proposed as a fire truck turnaround is required if a city street is longer than 150 feet.

Mayor Lambert opened the public hearing at 7:40 p.m.

Mike Salisbury (applicant) would like to sell the larger northeast lot to pay for this subdivision. The owner

could build a home or subdivide the property.

Hearing no more testimony, Mayor Lambert closed the public hearing at 7:42 p.m.

Bettge said the topography is difficult and moved to approve the preliminary plat with the condition that the right-of-way be abandoned before the final plat. Taruscio seconded the motion. Roll Call Vote: Ayes: Unanimous. Nays: None. Abstentions: None. Motion carried.

Bettge moved to adopt the Planning and Zoning Commission's Reasoned Statement of Relevant Criteria. Taruscio seconded. Roll Call Vote: Ayes: Unanimous. Nays: None. Abstentions: None. Motion carried.

8. Public Hearing: Sierra Vista Planned Unit Development and Preliminary Plat (ACTION ITEM) - Mike Ray

The applicant, Mike Salisbury, is requesting a proposed preliminary subdivision plat and Planned Unit Development (PUD) of a 2.97-acre area to create 8 lots ranging from 9,189 to 19,589 square feet in size, referred to as Sierra Vista Subdivision. The subject property was originally platted as Phase III of the Southgate 3rd Addition and the applicant is requesting a rezone, re-plat, and Planned Unit Development (PUD) on the property. The Planning and Zoning Commission conducted a public hearing on August 11, 2021 and recommended approval of the PUD and preliminary plat request with 4 conditions.

PROPOSED ACTIONS:

After conducting the public hearing and upon consideration of testimony received:

1. Approve the PUD for Sierra Vista; or approve the PUD with conditions; or reject the PUD; or take other such action deemed appropriate.
2. In accordance with the decision upon the PUD, adopt the Planning and Zoning Commission's Reasoned Statement of Relevant Criteria and Standards; or direct Staff to prepare a Reasoned Statement of Relevant Criteria and Standards for the Council's consideration at a future meeting.
3. Approve the preliminary plat with the four (4) conditions recommended by the Planning and Zoning Commission and the additional condition recommended by Staff; or approve the preliminary plat with no conditions; or reject the preliminary plat; or take other such action deemed appropriate.
4. In accordance with the decision upon the preliminary plat, adopt the Planning and Zoning Commission's Reasoned Statement of Relevant Criteria; or direct Staff to prepare a Reasoned Statement of Relevant Criteria for the Council's consideration at a future meeting.

Ray introduced the item as written above. Private streets are almost exclusively associated with PUD's and could be proposed due to topography. Stormwater would go to the detention pond on Granville Street.

Mayor Lambert opened the public hearing at 7:54 p.m.

Scott Becker (Hodge and Associates) represents the applicant. He said this plan has less impervious surface than the prior plan. A private street can be narrowed to 24 feet. Topography is why there is the dead-end street.

Hearing no testimony, Mayor Lambert closed the public hearing at 7:58 p.m.

Bettge moved to approve the PUD for Sierra Vista. Taruscio seconded. Roll Call Vote: Ayes: Unanimous. Nays: None. Abstentions: None. Motion carried.

9. First Amendment to Agreement to Purchase Real Property Between the City and University of Idaho for 118 E. 4th Street (ACTION ITEM) - Gary J. Riedner

On September 7, 2021, the City Council approved the sale of the current Moscow Police facility, located at 118 E. 4th Street, to the University of Idaho, with the closing date no later than November 15, 2021. It was anticipated that the Moscow Police Department would be able to relocated prior to that date to the new police facility located at Southview and US 95. Recently, the City was informed that because of delays due to COVID-19 and scarce supply sources, the furnishings for the new facility would be delayed until early December 2021. It is anticipated that after delivery, it will take two weeks to install the furnishings and prepare the facility for occupancy. Since this delay prevents the Moscow Police Department from moving into the new facility, staff approached the University of Idaho to inquire about a delayed move-out from the current facility. The University of Idaho has agreed to extend the closing date for the Purchase Agreement until no later than January 10, 2022. An amendment to the original purchase agreement is included in the packet. This item was not reviewed by City Council Committee and is being presented on the regular City Council agenda for consideration.

PROPOSED ACTIONS: Approve the First Amendment to Agreement to Purchase Real Property Between the City of Moscow and the University of Idaho, or take such other action deemed appropriate.

Riedner introduced the item as written above adding there is a provision that if the City can get into the building earlier, closing can take place early. Taruscio moved to approve the First Amendment to Agreement to Purchase Real Property Between the City of Moscow and the University of Idaho. Seconded by Laflin. Roll Call Vote: Ayes: Unanimous. Nays: None. Abstentions: None. Motion carried.

The City of Moscow initially entered into an agreement for the lease and programming and operations of the 1912 Center with Heart of the Arts, Inc. commencing on January 1, 2007 for the purpose of operating the 1912 Center in accordance with these purposes.

The initial term of the proposed agreement for lease, programs and operations management will commence on October 1, 2021 and shall end on September 30, 2031. The first renewal would extend the agreement through September 30, 2041, and a second renewal would extend the agreement through September 30, 2051.

The Administrative Committee considered and recommended approval during their October 25, 2021 meeting.

Community members serving on the Use Committee may also be members of the Development Committee. Requests for subleasing shall be submitted in writing to the Use Committee with sufficient detail to describe the area of the Premises proposed to be subleased, the proposed OPERATOR of such sublease, the uses that are proposed under such sublease and the compensation proposed under such sublease agreement. The Use Committee shall review the uses proposed within such sublease request for compliance with the following criteria:

1. The use reflects community need or desire;
2. The use has demonstrated sustainability and/or support for specified program or activity;
3. The use promotes multi-generational participation and sense of community;
4. The use provides opportunity for flexibility and adaptability within the building and sharing of many spaces with other uses and users;
5. The use and/or user group evidences ability to contribute financially (via on-going revenue, or in-kind assistance, help in securing grants, etc.);
6. The user group or use will require a level of finish and renovation for specified program and activities that is achievable, realistic, and does not compromise historic integrity of the building;
7. The use avoids unnecessary duplication of programming; and
8. The use does not pose unreasonable concern to maintenance, ease of operation, security, or consume all available parking resources.

The Use Committee may request any additional information it deems necessary to evaluate the proposed sublease request. When multiple requests have been received for the same area of the Premises, the proposed use which best meets the criteria listed above shall be selected.

The Use Committee's decision regarding the sublease request shall be final. The Use Committee shall also be charged with the supervision of all "rentable" space in compliance with policy and procedures in the building (refer to Exhibit "A") and shall review and make recommendations regarding any proposed rental fee changes for such areas.

9.5 CITY's Transfer. CITY may sell, assign or otherwise transfer the Premises without the consent of OPERATOR; If CITY should sell or transfer CITY's interest in the Premises, then with not less than one hundred twenty (120) days' notice and effective with the date of the sale or transfer, CITY shall be released and discharged from any and all further obligations and responsibilities under this Agreement (except those already accrued).

CITY shall give OPERATOR not less than one hundred twenty (120) days' notice of CITY's intent to sell, assign, or otherwise transfer the Premises. After such notice, OPERATOR shall have one hundred twenty (120) days within which to exercise its option to terminate this Agreement and to vacate the Premises at the time of sale, assignment, or other transfer (unless otherwise agreed with the buyer, assignor, or other transferee). If OPERATOR fails to exercise such option to terminate hereunder, the terms of this Agreement shall continue to bind OPERATOR and the buyer, assignee, or other transferee.

9.6 Mortgage. OPERATOR shall not, either voluntarily or by operation of law, encumber, pledge, transfer or hypothecate all or any part of the Premises or OPERATOR's rights hereunder.

10. SUBORDINATION, QUIET ENJOYMENT, ATTORNMENT, ESTOPPEL CERTIFICATE.

10.1 Subordination. This Agreement, at CITY's option, shall be subject and subordinate to the lien of any mortgages or deeds of trust in any amount or amounts whatsoever now or hereafter placed on or against the land or improvement or either thereof, of which the Premises are a part, or on or against CITY's interest or estate therein, without the necessity of the execution and delivery of any further instruments on the part of OPERATOR to effectuate such subordination; provided, however, that so long as the OPERATOR shall not be in default under the terms of this Agreement, the Agreement shall not be terminated nor shall any of the OPERATOR's rights and obligations under the Agreement be disturbed by such lender in the exercise of its rights under the deed of trust or mortgage. If any mortgagee or beneficiary shall elect to have this Agreement subordinated prior to the lien of its mortgage or deed of trust, and shall give written notice thereof to OPERATOR, this Agreement shall be deemed prior to such mortgage or deed of trust, whether this Agreement is dated prior to or subsequent to the date of the mortgage or deed of trust, or the date of the recording thereof.

OPERATOR covenants and agrees to execute and deliver upon demand without charge therefor, such further instruments evidencing such subordination of this Agreement to the lien of any such mortgages or deeds of trust as may be required by CITY.

10.2 Quiet Enjoyment. CITY agrees that OPERATOR, upon paying any monetary sums due under this Agreement and performing the covenants and conditions of this Agreement and upon recognizing any subsequent purchaser from CITY, may quietly have, hold and enjoy the

Premises during the term hereof; subject, however, to all restrictions and covenants contained or referred to in this Agreement.

10.3 Attornment. In the event of a foreclosure or the exercise of the power of sale under any mortgage or deed of trust made by CITY covering the Premises, OPERATOR shall attorn to the purchaser upon any such foreclosure or sale and recognize such purchaser as the CITY under this Agreement.

10.4 Estoppel Certificate. OPERATOR shall, from time to time, upon written request of CITY, execute, acknowledge and deliver to CITY a written statement certifying that this Agreement is unmodified and in full force and effect (or that the same is in full force and effect as modified, listing the instruments of modification), and whether or not to the best of OPERATOR's knowledge, CITY is in default hereunder (and, if so, specifying the nature of the default), it being intended that any such statement delivered pursuant to this paragraph may be relied upon by a prospective purchaser of CITY's interest or a mortgagee of CITY's interest or assignee of any mortgage upon CITY's interest in the Premises. If OPERATOR shall fail to respond within ten (10) days of receipt by OPERATOR of a written request by CITY as herein provided, OPERATOR shall be deemed to have given such certificate as above provided without modification.

11. INDEMNIFICATION AND INSURANCE.

11.1 Mutual Release; Waiver of Subrogation. CITY and OPERATOR hereby each release the other party and anyone claiming through or under the other party by way of subrogation or otherwise from any and all insured loss of or damage to Premises, or OPERATOR's personal property, whether or not caused by the negligence or fault of the other party. In addition, OPERATOR shall cause any property insurance policy carried by it which insures the Premises or the contents thereof to be written to provide that the insurer waives all rights of recovery by way of subrogation against CITY in connection with any loss or damage covered by the policy.

11.2 Mutual Indemnification. Subject to the terms of Section 11.1 above, OPERATOR hereby releases CITY and does covenant and agree to indemnify, defend, protect and hold CITY harmless against and from any and all damages, losses, liabilities, obligations, penalties, claims, litigation, demands, defenses, judgments, suits, proceedings, costs, disbursements or expenses of any kind or of any nature whatsoever (including, without limitation, attorneys' and experts' fees and disbursements) which may at any time be imposed upon, incurred by or asserted or awarded against CITY arising from or in connection with the loss of life, personal injury and/or damage to property occasioned by any negligent or willful act or omission of OPERATOR or its agents, contractors, servants or employees during the Term of the Agreement. Subject to the limits of liability specified in Idaho Code 6-901 through 6-929, known as the Idaho Tort Claims Act, CITY shall indemnify and hold OPERATOR, its agents and assigns, harmless from and/or against any and all claims, damages, and liabilities (including attorney's fees) that may be suffered or incurred and that arise as a direct result of and which are caused by CITY's possession, control, operations or performance under this Agreement. CITY's liability coverage is provided through a self-funded liability program administered by Idaho Counties Risk Management Program (ICRMP). Limits of liability, and this indemnification, are sufficient under the Idaho Tort Claims Act. In addition, OPERATOR covenants and agrees to indemnify, defend, protect and hold CITY harmless against and from any and all damages, losses, liabilities, obligations, penalties, claims, litigation, demands, defenses, judgments, suits, proceedings, costs, disbursements or expenses of any kind or of any

nature whatsoever (including, without limitation, attorneys' and experts' fees and disbursements) which may at any time be imposed upon, incurred by or asserted or awarded against CITY and arising from or in connection with the loss of life, personal injury and/or damage to property arising from or out of any occurrence in or upon the Premises, unless caused by any negligent or willful act or omission of CITY or its agents, contractors, servants or employees. An indemnified party shall have the right to engage its own attorneys in connection with any of the provisions of this Section 11.2 or any of the provisions of this Agreement, including, but not limited to, any defense of or intervention by such party, notwithstanding any contrary provisions of the laws or court decisions of the state in which the Premises is located.

11.3 Liability Insurance. OPERATOR shall provide and maintain commercial general liability insurance (Occurrence Basis) with broad form coverage endorsement covering its obligations under this Section 11 and insuring it against claims for personal injury, bodily injury or death, and property damage or destruction. Such insurance shall be written with an insurer licensed to do business in the state of Idaho, shall name CITY as additional insured on the policy and shall contain a waiver of subrogation endorsement in favor of CITY. The initial limits of liability of all such insurance shall be not less than one million dollars (\$1,000,000) for personal injury or bodily injury or death of any one person, one million dollars (\$1,000,000) for personal injury or bodily injury or death of more than one person in one occurrence and five hundred thousand dollars (\$500,000) with respect to damage to or destruction of property; or, in lieu of such coverage, a combined single limit (covering personal injury, bodily injury or death and property damage or destruction) with a limit of not less than two million dollars (\$2,000,000) per occurrence. Furthermore, CITY shall have the right to reasonably adjust the dollar amounts required by this Section 11.3 from time to time in CITY's sole discretion upon thirty (30) days prior written notice to OPERATOR.

11.4 Property Insurance. CITY, at CITY's sole cost and expense, shall purchase and maintain casualty insurance insuring the replacement cost of all improvements, buildings, structures, furniture, fixtures, and equipment located on the Premises in such amounts and in such form as CITY may determine.

11.5 Workers' Compensation Insurance. OPERATOR, at OPERATOR's sole cost and expense, shall carry Workers' Compensation Insurance as required by Idaho law. No "alternative" forms or self-insurance coverage shall be allowed.

11.6 Auto Insurance. OPERATOR, at OPERATOR's sole cost and expense, shall carry Commercial Business Automobile Liability Insurance (Occurrence Basis) with one million dollars (\$1,000,000) combined single limit coverage. Such insurance shall be endorsed with a waiver of subrogation endorsement in favor of CITY and include coverage for hired and non-owned vehicles and owned vehicles if OPERATOR owns a vehicle. Furthermore, CITY shall have the right to reasonably adjust the dollar amounts required by this Section 11.6 from time to time in CITY's sole discretion.

11.7 Insurance Requirements. For all insurance which OPERATOR is required to maintain hereunder, OPERATOR shall furnish CITY with certificates evidencing such insurance. All policies shall be obtained from an insurer licensed to do business in the State of Idaho, with a Best's Rating of "A" or higher and a Financial Size Category of "VIII" or higher, or the equivalent thereof. The policies of insurance shall provide that the insurance represented by the certificates

shall not be cancelled, materially changed or nonrenewed without the giving of thirty (30) days' prior written notice to the holders of the insurance and the holders of the certificates. If OPERATOR shall fail to obtain any policy of insurance required hereunder, CITY may obtain the same and keep the insurance in effect, and OPERATOR shall pay CITY the cost thereof plus a ten percent (10%) service charge to cover CITY's administration costs within ten (10) days after receipt of an invoice. No policy will contain a deductible or self-insured retention in excess of five thousand dollars (\$5,000) without CITY's prior written approval. If requested by CITY, OPERATOR will promptly deliver to CITY a certified copy of any insurance policies required by this Agreement. If the forms of policies, endorsement, certificates, or evidence of insurance required by this Section 11 are superseded or no longer available or the rating service of insurers is no longer available or modified, CITY will have the right to require other equivalent or better forms. Furthermore, CITY shall have the right to adjust the dollar amounts required by this Section 11 from time to time in CITY's sole discretion.

11.8 Noncontribution. All insurance carried by OPERATOR hereunder shall be primary and not contributory with any other insurance which is maintained by CITY.

11.9 Blanket Policy. All insurance which OPERATOR is required to maintain hereunder may be provided under a blanket policy provided such policy otherwise complies with the requirements of this Agreement and is endorsed with an Aggregate Limits of Insurance (Per Location) endorsement.

11.10 Effect of One Party's Actions on Other Party's Insurance. Neither party shall do or permit to be done anything which shall invalidate any insurance carried by the other party. Each party shall pay the entire increase in the insurance premium if the increase is specified by the other party's insurer as caused by the actions or omissions of the party.

11.11 Effect of CITY's Insurance on OPERATOR's Obligation. From time to time and without obligation to do so, CITY may purchase insurance against damage or liability arising out of or related to the Premises. The purchase or failure to purchase insurance shall not release or waive the obligations of OPERATOR set forth in this Agreement. OPERATOR waives all claims on insurance purchased by CITY.

12. DAMAGE OR DESTRUCTION OF PREMISES.

If at any time during the Term hereof, the Premises are damaged and such damage is not "substantial" as that term is hereinafter defined, and OPERATOR is not responsible for the repair of such damage pursuant to Section 6.7 hereof, then CITY shall promptly repair such damage at CITY's expense, and this Agreement shall continue in full force and effect. If at any time during the term hereof the Premises are damaged and if such damage is "substantial" as that term is hereinafter defined, then CITY may at its option either (a) repair such damage as soon as reasonably possible at CITY's expense, in which event, this Agreement shall continue in full force and effect, or (b) cancel and terminate this Agreement as of the date of the occurrence of such damage, by giving OPERATOR written notice of its election to do so within sixty (60) days after the date of occurrence of such damage.

If the Premises are destroyed or damaged and CITY repairs or restores them pursuant to the provisions of this section, then OPERATOR shall continue operations in the Premises to the

extent reasonably practicable from the standpoint of prudent business management. OPERATOR shall have no claim against CITY for any damages suffered by OPERATOR by reason of any such damage, destruction, repair or restoration, provided CITY undertakes and accomplishes repairs in a reasonably timely fashion.

In the event the damage to the Premises, requiring new construction or need of repair of the same, is caused by the negligence or willful acts of OPERATOR or OPERATOR's employees and agents, there shall be no duty to repair the same on the part of the CITY and OPERATOR shall be responsible for said repairs.

For the purpose of this section, "substantial" damage to the Premises or the building in which the Premises are located shall be deemed to be damaged, the estimated cost of repair of which exceeds ten percent (10%) of the then estimated replacement cost of the Premises or building, as the case may be. The determination in good faith by CITY of the estimated cost of repair of any damage and/or of the estimated replacement cost of the Premises or building, as the case may be, or any part thereof shall be conclusive for the purpose of this section.

13. CONDEMNATION.

In the event of a condemnation or taking under power of eminent domain, the parties shall have the following rights:

13.1 Entire or Substantial Taking. If the entire Premises, or so much thereof as to make the balance not reasonably adequate for the conduct of OPERATOR's operations, notwithstanding restoration by CITY as herein provided, shall be taken under the power of eminent domain, this Agreement shall automatically terminate as of the date on which the condemning authority takes title or possession, whichever shall first occur.

13.2 Awards. Any award for any taking of all or any part of the Premises under the power of eminent domain shall be the property of CITY, whether such award shall be made as compensation for diminution in value of the leasehold or for the taking of the fee. Nothing contained herein, however, shall be deemed to preclude OPERATOR from obtaining, or to give CITY any interest in, any award to OPERATOR for loss of or damage to OPERATOR's fixtures and removable personal property or for damage for cessation or interruption of OPERATOR's business.

13.3 Sale Under Threat of Condemnation. A sale by CITY to any authority having the power of eminent domain, either under threat of condemnation or while condemnation proceedings are pending, shall be deemed a taking under the power of eminent domain for all purposes under this section.

13.4 Partial Taking and OPERATOR's Option. A taking of twenty percent (20%) or more of the leased floor area of the Premises shall confer upon OPERATOR the option, to be exercised only within sixty (60) days after OPERATOR shall have received written notice thereof, to terminate this Agreement effective as of the date of such taking, upon written notice to CITY. Failure of OPERATOR to exercise such option shall constitute OPERATOR's agreement that the balance of the Premises is reasonably adequate for the conduct of OPERATOR's business, and this Agreement shall remain in effect.

14. DEFAULT BY OPERATOR OR CITY.

14.1 Default by OPERATOR. OPERATOR shall be in default under this Agreement if any of the following occur: (i) OPERATOR fails to pay when due any payment(s) required to be paid by OPERATOR pursuant to this Agreement and the failure shall not be cured within ten (10) days after delivery of written notice to OPERATOR of the failure; (ii) OPERATOR fails to perform or observe any other covenant, agreement or condition which OPERATOR is required to perform or observe and the failure shall not be cured within thirty (30) days after delivery of written notice to OPERATOR of the failure (or, if the cure cannot be effected within the thirty (30) day period, then within the additional period of time as may be required to cure the default provided OPERATOR is diligently and continuously pursuing the cure to completion); or (vi) OPERATOR vacates or abandons all or a substantial portion of the Premises (OPERATOR shall be conclusively deemed to have abandoned the Premises if OPERATOR shall be absent from the Premises for ten (10) or more consecutive days). In the event OPERATOR cures a default within the applicable time frame set forth above, no default shall be deemed to have occurred under this Agreement.

14.2 Remedies of CITY. In the event of OPERATOR's default as set forth in Section 14.1, CITY, upon the giving of thirty (30) days' (ten [10] days in the event of a failure to pay money) prior written notice to OPERATOR and OPERATOR's failure to remedy the default within such notice period, shall have the remedies set forth in this Agreement including termination of all payments by CITY to OPERATOR. CITY' remedies are cumulative and not alternative remedies.

14.2.1 Legal and Equitable Remedies. CITY and OPERATOR shall have all remedies available at law or in equity.

14.2.2 Termination of Agreement. In addition to all other rights and remedies available to CITY in law and equity upon OPERATOR's default, CITY may (i) change the locks and lock the doors to the Premises and exclude OPERATOR from the Premises, (ii) enter the Premises and remove all persons and property therefrom without being liable for prosecution or any claim for damages for the removal, (iii) declare the Agreement terminated, (iv) commence litigation for any damages sustained by CITY, (v) continue the Agreement in effect and relet the Premises on such terms and conditions as CITY may deem advisable, and (vi) hold the OPERATOR liable for the reasonable cost of obtaining possession of the Premises, the reasonable cost of reletting the Premises (including broker's commissions), and the reasonable cost of any repairs and alterations necessary to prepare the Premises for reletting, less any money actually received from the reletting, if any.

14.2.3 Advance. In the event of OPERATOR's breach, CITY may remedy the breach for the account and at the expense of OPERATOR. If CITY at any time, by reason of the breach, is compelled to pay, or elects to pay, any money or to do any act which will require the payment of any money, or is compelled to incur any expense, including attorneys' fees, in instituting or prosecuting any action or proceeding to enforce CITY's rights under this Agreement, the money paid by CITY, with interest from the date of payment, shall be deducted from any Fees due pursuant to this Agreement.

14.3 Default by CITY. CITY shall be in default under this Agreement if CITY fails to perform or observe any covenant, agreement or condition which CITY is required to perform or

observe and the failure shall not be cured within thirty (30) days after delivery of written notice to CITY by OPERATOR of the failure (or, if the cure cannot be effected within the thirty (30) day period, then within the additional period of time as may be required to cure the default provided CITY is diligently and continuously pursuing the cure to completion).

14.4 Remedies of OPERATOR. In the event of CITY's default, as set forth in Section 14.3, OPERATOR shall have all rights provided at law or in equity, except OPERATOR expressly waives any right to withhold performance of any of OPERATOR's maintenance, repair or replacement obligations set forth in this Agreement.

15. TERMINATION OF AGREEMENT.

15.1 Events of Termination. This Agreement shall terminate upon the occurrence of one or more of the following events: (i) by mutual written agreement of CITY and OPERATOR; (ii) by CITY pursuant to this Agreement; (iii) by OPERATOR pursuant to this Agreement; (iv) upon lapse of the Term; (v) any time prior to October 1, 2021 upon CITY's receipt of thirty (30) days' prior written notice from OPERATOR; or (vi) by reason of Sections 12 or 13 relating to casualty or condemnation of the Premises.

15.2 Surrender of Possession. Upon termination of this Agreement, OPERATOR will immediately surrender possession of the Premises to CITY. If possession is not immediately surrendered, CITY may, in compliance with the laws of the state in which the Premises are located, re-enter and repossess the Premises and remove all persons or property.

15.3 Holding Over. If OPERATOR fails to deliver actual possession of the Premises to CITY upon termination of this Agreement, CITY shall have all remedies available at law or in equity to a lessor of real property in the State of Idaho, plus one of the following remedies: (i) CITY may recover damages from OPERATOR in an amount equal to all damages sustained by CITY by reason of OPERATOR's failure to deliver actual possession of the Premises to CITY; or (ii) CITY may accept OPERATOR's failure to deliver actual possession of the Premises to CITY as an irrevocable offer to renew this Agreement for a month to month period.

15.4 Condition of Premises upon Termination. OPERATOR, upon termination or abandonment of this Agreement or termination of OPERATOR's right of possession, agrees as follows:

15.4.1 Removal of Property. Except as permitted by this Agreement, OPERATOR shall not remove any alterations, improvements or additions made to the Premises by OPERATOR or others without the prior written consent of CITY, which consent may be withheld for any reason or for no reason. OPERATOR shall immediately remove, in a good and workmanlike manner all personal property of OPERATOR. All damage occasioned by the removal shall be promptly repaired by OPERATOR in a good and workmanlike manner. If OPERATOR fails to remove any property, CITY may (i) accept the title to the property without credit or compensation to OPERATOR, or (ii) remove and store the property, at OPERATOR's expense, in any reasonable manner that CITY may choose.

15.4.2 Restoration of Premises. OPERATOR shall restore the Premises to a broom-clean condition and in the condition existing on the Commencement Date, with the

exception of ordinary wear and tear. If OPERATOR fails to properly restore the Premises, CITY, at OPERATOR's expense, may restore the Premises in any reasonable manner that CITY may choose.

16. CLAIMS AND DISPUTES.

16.1 Rights and Remedies Cumulative. Except as expressly provided in this Agreement, each party's rights and remedies described in this Agreement are cumulative and not alternative remedies.

16.2 Nonwaiver of Remedies. A waiver of any condition stated in this Agreement shall not be implied by any neglect of a party to enforce any remedy available by reason of the failure to observe or perform the condition. A waiver by a party shall not affect any condition other than the one specified in the waiver and any waiver shall waive the specified condition only for the time and in the manner specifically stated in the waiver. The acceptance by CITY of compensation from OPERATOR after termination of the Agreement, after termination of OPERATOR's right of possession, after the occurrence of a default, or after institution of any remedy by CITY shall not alter, diminish, affect or waive the Agreement termination, termination of possession, default or remedy.

16.3 Attorney Fees and Costs. If CITY incurs attorney fees or costs to enforce any term, covenant or condition of this Agreement, including to recover possession of the Premises, OPERATOR shall pay CITY for attorney's fees and costs and, if legal action is taken, such fees shall be deemed to have accrued on the commencement of such action and shall be paid whether or not such action is prosecuted to judgment. Likewise, if OPERATOR incurs attorney fees or costs to enforce any term, covenant, or condition of this Agreement, CITY shall pay OPERATOR for attorney's fees and costs, and if legal action is taken, such fees shall be deemed to have accrued on the commencement of such action and shall be paid whether or not such action is prosecuted to judgment. Should CITY, without fault of CITY, be made a party to any litigation instituted by OPERATOR or by any third party against OPERATOR, or by or against any person holding or using the Premises through or under OPERATOR, or for the foreclosure of any lien for labor or materials furnished to or for OPERATOR, or otherwise arising out of or resulting from any act or omission of OPERATOR, OPERATOR covenants to save and hold CITY harmless from any judgment rendered against CITY and/or the Premises or any part thereof, and all costs and expenses, including attorney's fees, incurred by CITY in or in connection with such litigation.

16.4 Interpretation and Jurisdiction. It is agreed that this AGREEMENT shall be construed under and governed by the laws of the State of Idaho. In the event of litigation concerning it, it is agreed that proper venue shall be the District Court of the Second Judicial District of the State of Idaho, in and for the County of Latah. The invalidity of any portion of this Agreement shall not affect the validity of any other portion of this Agreement. This Agreement constitutes the entire, completely integrated agreement among the parties and supersedes all prior memoranda, correspondence, conversations and negotiations. Whenever the consent of either party is required to an action under this Agreement, consent shall not be unreasonably withheld or delayed.

16.5 Waiver of Jury Trial. CITY and OPERATOR hereby agree that each of them shall waive trial by jury in any action, proceeding or counterclaims brought by either CITY or

OPERATOR against the other. This waiver applies to any matters whatsoever arising out of or in any way connected with this Agreement, or the relationship of CITY and OPERATOR, or OPERATOR's use of the Premises, or any emergency statute, or any remedy authorized by statute.

17. GENERAL PROVISIONS.

17.1 Notices. All notices given pursuant to this Agreement shall be in writing and shall be given by personal service, by United States certified mail, return receipt requested, or by United States express mail or other established express delivery service (such as Federal Express) with signature confirmation required, postage or delivery charge prepaid, addressed to the appropriate party at the address set forth in Section 2 of this Agreement. The person and address to which notices are to be given may be changed at any time by such party upon written notice to the other party. All notices given pursuant to this Agreement shall be deemed given upon receipt. For the purpose of this Agreement, the term "receipt" shall mean the earlier of any of the following: (i) the date of delivery of the notice or other document to the address specified pursuant to Section 2 as shown on the return receipt, (ii) the date of actual receipt of the notice or other document by the person or entity specified pursuant to, or (iii) in the case of refusal to accept delivery or inability to deliver the notice or other document, the earlier of (A) the date of the attempted delivery or refusal to accept delivery, (B) the date of the postmark on the return receipt, or (C) the date of receipt of notice of refusal or notice of nondelivery by the sending party.

17.2 Brokers. CITY and OPERATOR each represent and warrant that it has neither employed nor associated with any broker or agent in connection with this Agreement and have not agreed to pay any commissions or finders fees to any other broker. CITY and OPERATOR each hereby agrees to indemnify and defend the other against any and all commissions, finders' fees or other fee or any claim therefor by any broker in connection with this Agreement claiming through the indemnifying party.

17.3 Non-recording. This Agreement or any memorandum of this Agreement shall not be recorded unless all parties further consent.

17.4 Time is of the Essence. Time is of the essence with respect to the obligations to be performed under this Agreement.

17.5 Joint and Several Liability. If there is more than one (1) OPERATOR, the obligations imposed by this Agreement upon OPERATOR shall be joint and several.

17.6 Entire Agreement - Modification in Writing - Captions. This Agreement contains the entire agreement of the parties. No representations, promises, or agreements oral or otherwise between the parties not contained in this Agreement shall be of any force and effect. Neither this Agreement nor any provisions hereof may be changed, waived, discharged, or terminated except in writing executed by CITY and OPERATOR. The parties acknowledge that minor changes to this Agreement may be necessary from time to time and hereby agree that such may be proposed in writing to the other party. A response to a proposal for modification shall be given within forty-five (45) days of receipt of the proposed change. The captions for Agreement Sections are for convenience only and shall have no effect upon the construction or interpretation of any part of this Agreement.

17.7 Severability. The illegality, invalidity or unenforceability of any term, condition, or provision of the Agreement shall in no way impair or invalidate any other term, condition, or provision of the Agreement. All such other terms, conditions, and provisions shall remain in full force and effect.

17.8 Force Majeure. Time periods for CITY's performance under this Agreement, including services to be furnished by CITY as provided for in this Agreement, shall be extended for periods of time during which CITY's performance is prevented due to circumstances beyond CITY's control. This would include, without limitation, strikes, embargoes, repairs, alterations, governmental action, acts of God, war, or other strife. CITY shall not be liable for any costs or damages incurred by OPERATOR due to such circumstances. Suspension or interruption of any services provided by CITY shall not be deemed an eviction, or relieve OPERATOR of any obligation under this Agreement.

AGENDA ITEM TITLE

Lease with Moscow School District for Ghormley Park Tennis Courts – Gary J. Riedner

DESCRIPTION

The City owns tennis courts at Ghormley Park. The tennis courts had fallen into disrepair and were unsuitable for playing tennis without extensive and expensive repairs. The City Council originally approved the construction of pickleball courts on the tennis court site. However, a more suitable location was identified at the site of the former Ghormley Park swimming pool because of accessibility and parking, and pickleball courts have been constructed there. As part of the pickleball construction project, the contractor bid an alternate for the demolition of the tennis courts, in the amount of \$53,400. That alternate was not selected, and thereafter it was determined that the resurfacing of the tennis courts with asphalt would make the courts safer, and would provide a hard surface for children's recreation. The cost of resurfacing of the tennis courts was \$25,000, and that project was completed this past summer. Moscow School District (MSD) would like to lease the newly resurfaced area for recreation for the students of West Park Elementary School. MSD has proposed to pay one-half of the cost of the resurfacing (\$12,500) in exchange for a ten-year lease of the site. The area would be open for public recreation outside of school hours. This was reviewed by the Administrative Committee on October 25, 2021 and recommended for approval.

STAFF RECOMMENDATION

Approve the lease of the Ghormley Park Tennis Courts to Moscow School District.

WHEREAS, CITY recently constructed a pickleball facility at Ghormley Park and was able to resurface with asphalt to address significant cracking issues and to increase safety at a reasonable cost; and

WHEREAS, MSD and CITY have successfully cooperated on the maintenance and use of other recreational facilities, such as Oylear Field and Moscow School District Community Play Fields, for the mutual benefit of the community and of the students attending MSD; and

WHEREAS, MSD has agreed, in consideration for the use of the Premises for MSD purposes, to reimburse CITY for half the cost of the resurfacing of the Premises; and

WHEREAS, MSD and CITY intend by this Lease to set forth their understandings and commitments to facilitate MSD's use of the Premises for student recreation; and

WHEREAS, both Parties are vested with full authority under Idaho law to enter into this Lease, it not being the intent of either Party nor the purpose of this Lease to create a Joint Powers Agreement pursuant to Idaho Code § 67-2326 through § 67-2333; and

WHEREAS, each Party to this Lease wishes to retain its separate identity, authority and jurisdiction to the full extent of the law while cooperating with the other Party pursuant to this Lease;

NOW THEREFORE, MSD and CITY mutually intend and agree as follows:

TERMS

- 1. LEASE OF PROPERTY.** CITY for and in consideration of a one-time payment, covenants, and conditions hereinafter contained to be kept and performed by MSD, does hereby lease to MSD the tennis courts located at 504 Home Street, Moscow, Idaho 83843 (hereinafter "Premises"), see Attachment "A", herein made a part of this Lease. The Premises leased to MSD consists of an asphalt surfaced area of approximately Nineteen Thousand (19,000) Square Feet that previously contained three tennis courts situated at the south west corner of Ghormley Park.

- 2. CONDITION OF PROPERTY.** At the commencement of the term of this Lease, MSD accepts the Premises, improvements, and any equipment on or in the leased premises, in their existing condition. MSD has had reasonable access to the Premises and has had the Premises inspected and has accepted the inspection. No representation, statement, or warranty, express or implied, has been made by or on behalf of CITY as to such condition, or as to the use that may be made of such property. In no event shall CITY be liable for any defect in such property or for any limitation on its use.
 - 2.1** MSD acknowledges that neither CITY nor any agent of CITY has made any representation or warranty with respect to the Premises or with respect to the suitability or fitness of the Premises for the conduct of MSD purposes.

 - 2.2** The taking of possession of the leased property by MSD shall be conclusive evidence that MSD accepts the same "as is" and that the Premises were in good condition at the time possession was taken.

- 3. TERM.** The term of this Lease shall be for ten (10) years. The term shall commence on September 1, 2021 and end on August 31, 2031. Lease is renewable as a year-to-year lease after the initial term. Any additional compensation must be agreed to by the Parties in writing.

- 4. RENT/PAYMENTS.** Upon execution of this Lease, MSD shall pay to CITY Twelve Thousand Five Hundred Dollars (\$12,500) which is half the cost CITY paid to resurface the Premises, thereby making it usable for MSD purposes. Should this lease be lawfully terminated by either Party prior to the natural termination of the Lease, CITY shall return

One Thousand Two Hundred Fifty Dollars (\$1,250) for each remaining year of the original lease term. MSD shall be responsible for the cost to restore the Premise to its original condition.

5. **NOTICE.** The Parties hereto are CITY and MSD. The exercise of any right or privilege by a Party hereunder shall be made effective by the personal delivery or by the mailing of a written notice of such exercise to the other Party unless a specific provision of this Lease provided otherwise. Such mailing or the mailing of any other notice required or permitted under this Lease shall be made by certified United States mail, postage prepaid, addressed to the other Party at its address set forth herein or such other address of which notice has been given in writing, and shall be deemed delivered forty-eight (48) hours after mailing.

6. **MSD'S DUE DILIGENCE REVIEW OF AND ACCEPTANCE OF THE LEASE AND RELATED DOCUMENTS.** MSD has exercised due diligence in its review of the lease documents and accepts the same in reliance upon its own review. MSD has obtained or has had an opportunity to obtain independent legal counsel to review all documents related to this transaction.

7. **USE AND OCCUPANCY.** MSD shall use the Premises for recreational purposes and any and all other school-related activities. CITY grants MSD the right to paint roadways and other appropriate objects on the paved surface to create a play space for children. MSD shall not use or occupy the Premises for any other purpose, nor alter the Premises in any other manner without the prior written consent of CITY.

7.1 MSD shall not use or occupy nor permit the Premises or any part thereof to be used or occupied for any unlawful business, use or purpose, not for any business, use or purpose deemed disreputable or extra-hazardous, nor for any purpose or in any manner which is in violation of any present or future governmental laws or regulations. MSD shall promptly, after the discovery of any such unlawful, disreputable or extra-hazardous use take all necessary steps, legal and equitable, to complete the discontinuance of such use.

7.2 MSD understands the Premises will be open and available for the public's use when it is not being used by MSD. MSD shall post in a public place near or on the Premises the hours it reserves for MSD purposes and during which the public will be excluded.

8. **MAINTENANCE BY CITY.** CITY shall not be liable to make any repairs or to perform any maintenance. Except as provided in the Damage to Premises Section hereof, there shall be no abatement of rent and no liability of CITY by reason of any injury to or interference with MSD's business arising from the making of any repairs, alterations or improvements on the Premises or to any portion thereof.

9. **MAINTENANCE BY MSD.** MSD shall be responsible for all repairs to the Premises or repairs to fixtures of the leased Premises made necessary as a result of any misuse or neglect by MSD or any of its officers, agents, employees, contractors, licensees, visitors, guests, clients, customers or invitees. If MSD fails to make necessary repairs and/or maintain the Premises, CITY shall have the right, upon reasonable written notice to MSD, to make and perform such repairs or maintenance and charge the cost thereof to MSD, which cost shall be payable in full upon demand, and failure to pay the cost thereof shall constitute a breach of this Lease as for non-payment of rent. MSD shall maintain and keep in good repair any walkways and sidewalks, and shall keep the same free from debris, ice and snow, and any dangerous or hazardous conditions, and shall indemnify CITY from any liability for same.
10. **COMPLIANCE WITH LAWS.** MSD, at its sole expense, shall comply with all laws, orders and regulations of federal, state and municipal authorities and with any direction of any public officer, pursuant to law, which shall impose any duty upon CITY or MSD with respect to the Premises. MSD, at its sole expense, shall obtain all licenses or permits which may be required for the conduct of its business within the terms of this Lease or for making of repairs, alterations, improvements, or additions, and CITY, where necessary, will join with MSD in applying for all such permits or licenses. All repairs, alterations, additions or improvements made by MSD or CITY shall comply with applicable building or other codes.
11. **LIENS.** MSD shall keep the Premises free from any liens arising out of any work performed, materials furnished, or other obligations incurred by MSD and agrees to defend, indemnify and hold CITY harmless from and against any such lien, claim or action thereon, including costs of suit and attorney's fees incurred by CITY, with or without suit, in connection with any such claim or actions.
12. **ACCESS BY CITY.** CITY, at all reasonable times and frequency, shall have the right to enter the Premises to examine the same and to make such repairs, alterations, improvements or additions deemed necessary by CITY, without the same constituting an eviction of MSD in whole or in part. CITY shall also have the right to enter on and/or pass through the Premises, or any part thereof, at such times as such entry shall be required by circumstances of emergency affecting the Premises.
13. **INSURANCE.** Each Party warrants that it shall obtain, and will maintain at its expense for the duration of this Agreement, statutory worker's compensation coverage, employer's liability and comprehensive general liability insurance coverage for its principals and employees for the services to be performed hereunder and for the use of the Premises. The comprehensive general liability insurance shall have, at a minimum, a coverage limit of at least FIVE HUNDRED THOUSAND DOLLARS (\$500,000.00) per claim, and ONE MILLION DOLLARS (\$1,000,000.00) aggregate.

The amounts of such insurance shall not be deemed a limitation of the indemnity and hold free and harmless covenant contained herein.

MSD shall furnish CITY with policies or certificates of insurance to demonstrate MSD has procured such insurance and that CITY has been named as an additional insured therein. Such policies or certificates shall contain the following provision:

"It is agreed that City is added as an additional insured under this Policy and the coverage provided hereunder shall be primary insurance and not contributing with any other insurance available to City under any other third-party liability policy. It is further agreed that the 'other insurance' condition of this policy is amended to conform therewith."

Such policies or certificates of insurance shall contain the covenant of the insurance carrier that thirty (30) days' written notice shall be given to CITY prior to modifications, cancellations, or reduction in coverage of such insurance.

City shall maintain casualty insurance, including property damage and fire insurance for the Premises. Such insurance shall not extend to the contents of the property belonging to MSD. MSD shall assume the risk of loss to the contents of the Premises or placed upon the Premises belonging to MSD and shall undertake, in its discretion, to insure against such loss or damage.

- 14. INDEMNIFICATION BY MSD:** MSD shall indemnify, defend and hold the CITY harmless from and against any and all claims, losses, damages, injuries, liabilities and costs, including attorney fees, court costs and expenses and liabilities incurred in or from any such claim, arising from any breach or default in the performance of any obligation to be performed under the terms of any Definitive Agreement by MSD or arising from any act, negligence or omission by MSD or any of its agents, employees and volunteers. MSD's liability under this paragraph shall be limited by the terms of the Idaho Tort Claims Act and the limits of any insurance provided under the Act and Idaho Code § 67-5776.
- 15. INDEMNIFICATION BY CITY.** CITY shall indemnify, defend and hold MSD harmless from and against any and all claims, losses, damages, injuries, liabilities and costs, including attorney fees, court costs and expenses and liabilities incurred in or from any such claim, arising from any breach or default in the performance of any obligation to be performed under the terms of any Definitive Agreement by MSD or arising from any act, negligence or omission by MSD or any of its agents, employees and volunteers. MSD's liability under this paragraph shall be limited by the terms of the Idaho Tort Claims Act and the limits of any insurance provided under the Act and Idaho Code § 67-5776.
- 16. WAIVER.** No covenant, term or condition or the breach thereof shall be deemed waived, except by written consent of the Party against whom the waiver is claimed, and any waiver of the breach of any covenant, term or condition shall not be deemed to be a waiver of any other covenant, term or condition.
- 17. WARRANTIES AND REPRESENTATIONS BY CITY.** CITY expressly warrants and represents to MSD that CITY has not covenanted or agreed with anyone to restrict the use of the Premises for MSD's purposes and CITY has the right to Lease the Premises to MSD.
- 18. QUIET ENJOYMENT BY MSD.** CITY covenants that if MSD performs all the terms, conditions, and covenants of this Lease to be performed by MSD, MSD shall peaceably and

quietly hold and enjoy the Premises for MSD's purposes for the term hereof without hindrance or interruption by CITY.

- 19. SALE OF PREMISES BY CITY.** Any sale of the Premises by CITY shall be subject to all rights of MSD hereunder.
- 20. ASSIGNMENT AND SUBLEASING BY MSD.** MSD shall not assign or sublet any part of the Premises or MSD's rights hereunder.
- 21. MSD'S DEFAULT; CITY'S REMEDIES.** In the event of an MSD Default, CITY shall have the option to exercise one or more of the following rights and remedies:
 - 21.1.** To terminate this Lease, in which event MSD shall immediately surrender the Premises to CITY and restore the premise to its original condition. If MSD shall fail to do so, CITY may enter upon the Premises without notice and again have, repossess and enjoy the same as if this Lease had not been made, and all Terms, conditions, covenants and obligations of this Lease on the part of CITY to be performed shall cease and terminate, without prejudice; and
 - 21.2.** To pursue all other rights and remedies to which CITY may be entitled hereunder, at law or in equity, including specific performance of the Lease by MSD. MSD shall be responsible for the cost to restore the premise to its original condition.
- 22. CITY'S DEFAULT; MSD'S REMEDIES:** In the event of any failure by CITY to perform any Term, condition, covenant or obligation of this Lease on the part of CITY to be performed within thirty (30) days after the date on which CITY receives from MSD notice specifically describing such failure, MSD (in addition to all other remedies to which MSD may be entitled under this instrument or at law or in equity) may cure such default by CITY on behalf of, and at the sole cost and expense of, CITY. CITY shall reimburse MSD for its costs and expenses in connection therewith within thirty (30) days after MSD's delivery to CITY of an invoice therefor. The foregoing notwithstanding, if CITY shall exercise in good faith diligent efforts within such thirty (30) day period to cure the failure specified in the notice but shall not be able to do so because of acts of God, riots, or labor strikes or other circumstances beyond reasonable control of CITY, then any such failure shall not be considered a default of this Lease by CITY so long as CITY shall continue to exercise in good faith such diligent efforts to cure such failure and shall do so within a reasonable period of time.
- 23. ENTIRE AGREEMENT.** This Lease shall constitute the entire agreement of the Parties hereto and any prior agreement between the Parties relating to the Premises, whether written or oral, is merged herein and shall be of no separate force and effect and this Lease shall only be changed, modified, or discharged by agreement in writing signed by both Parties hereto.
- 24. APPLICABLE LAW/VENUE.** This Lease shall be governed by, and construed in accordance with the laws of the State of Idaho. If litigation is commenced regarding the enforceability or validity of this Lease, venue for such action shall be in the District Court of the Second Judicial District of the State of Idaho, in and for the County of Latah. If any

provision of this Lease or the application thereof to any person or circumstance shall, to any extent, be invalid or unenforceable, the remainder of this Lease shall not be affected thereby and each provision of the Lease shall be valid and enforceable to the fullest extent permitted by law.

- 25. BENEFIT OF AGREEMENT.** The terms, conditions, and covenants contained in this Lease shall inure to the benefit of and be binding upon the Parties hereto, their respective heirs, administrators, executors, representatives, successors and assigns.
- 26. Idaho Department of Environmental Quality Electric Vehicle Supply Equipment Program Grant Proposal
- Bill Belknap

DESCRIPTION

The Idaho Department of Environmental Quality Electric Vehicle Supply Equipment (EVSE) program provides cost-shared funds for direct current fast charger (DCFC) equipment. The program is funded from the Volkswagen Emissions Settlement and is intended to create a network of electric vehicle charging services for the public along the State's highway network. The program currently has \$2.1 Million of funding remaining and prioritizes the installation of DCFC equipment that is located within one-half mile of Idaho's highway system and which provides 24-hour access, is well-lit, and is located in close proximity to shopping or dining. Staff reviewed several locations and determined that the South Jackson Parking lot next to the downtown restroom would be the preferred location for this facility. The location is in close proximity to both U.S. Highway 95 and State Highway 8, is adjacent to a public restroom facility, and in close proximity to shopping and dining establishments downtown. The grant program funds 100% of the cost of installation and five years of maintenance and operation when located upon publicly owned property. The City would be responsible for maintaining the EVSE station for five years after installation, which would be funded by the grant. It is anticipated that the City would propose to install two DCFC stations and would publish a Request for Proposals (RFP) from companies interested in providing, installing, and operating and maintaining the facility for the required 5-year period. Once a respondent has been selected and project costs are identified, the City would submit the grant application to the State of Idaho to fund the project. Completion of the ESVE station installation would be dependent upon available grant funding. Staff is seeking Council approval of the proposed project and authorization to proceed with the publication of the RFP. This was reviewed by Public Works Finance Committee on October 25, 2021 and recommended for approval.

Lot Line Adjustment Between 1421 and 1427 Lanny Lane, 1228 Ponderosa Drive, and 1204 Tamarack Drive - Aimee Hennrich

DESCRIPTION

The applicant, Mark Pica, is requesting a lot line adjustment between four properties located at 1421 and 1427 Lanny Lane, 1228 Ponderosa Drive, and 1204 Tamarack Drive. The proposed lot line adjustment would reduce 1421 Lanny Lane from 12,185 sf to 10,784 sf and expand 1228 Ponderosa Drive from 17,193 sf to 18,594 sf in size. Additionally, the proposed lot line adjustment would reduce the lot at 1427 Lanny Drive from 11,215 sf to 10,816 sf and would expand 1204 Tamarack from 15,958 sf to 16,357 sf in size. The applicant is requesting the lot line adjustment in order to realign the rear lot lines to better fit the existing fences at 1228 Ponderosa Drive and 1204 Tamarack Drive. The two Lanny Lane lots are currently under construction with new single-family homes and the lots on Ponderosa and Tamarack both contain existing single-family homes. The subject properties are located within the Low Density, Single-Family Residential Zoning District (R-1) which requires a minimum lot area of 9,600 sf and a minimum lot width of 80 feet. Setbacks are required to be 25 feet in the front, 20 in the rear and a combined total of 15 on the sides. The proposed lots will meet all zoning requirements as a result of the proposed lot line adjustment. This was reviewed by Public Works Finance Committee on October 25, 2021 and recommended for approval.

STAFF RECOMMENDATION

ACTION: Approve the lot line adjustment request with no conditions.

DESCRIPTION

On September 16, 2021, the City received a letter requesting the vacation of portions of the right-of-way (ROW) located within the currently undeveloped portion of the Southgate 3rd Addition to the City. The request was made by JEMCA LLC, who is the owner of the Southgate 3rd Addition. JEMCA LLC is proposing to replat the area which requires the vacation of a portion of Granville Street and all of Kismet Court which are located within the replat area. According to JEMCA LLC, the proposed vacation is to reduce the linear feet of roadway to work with the existing topography in the area by utilizing one shorter city street for the proposed Park Valley subdivision and one private street within the Sierra Vista Planned Unit Development. A vicinity map of the proposed vacation area is shown on the Notice of Public Hearing attached herein. The notice of the hearing was advertised in the newspaper of record and mailed to properties within 300 feet of the subject ROW and all franchise and other utility providers were also provided notice.

Re: Southgate 3rd Addition Right of Way Vacation

Dear Mayor Lambert and City Council:

JEMCA LLC, the owner of Southgate Addition Phase 3 would like to request the right of way vacation for that portion of Granville Street located in the proposed replat area. The purpose of this request is to reduce the linear feet of roadway and decrease the impact to the existing topography by utilizing one shorter city street for proposed *Park Valley* subdivision and one private street to the *Sierra Vista* Planned Unit Development.

Enclosed is a proposed legal description for the right of way vacation.

Please do not hesitate to contact me if you have questions regarding the lot line adjustment request.
